

1NT OPENINGS

South opens 1NT (15-17 HCP balanced). Responder uses NATURAL responses — no Stayman, no transfers.

North's responses:

- Pass — 0-7 HCP, balanced
- 2NT — 8-9 HCP balanced, invitational
- 3NT — 10-15 HCP balanced
- 4NT — quantitative slam invite (16-17 HCP, no fit-finding)
- 6NT — slam, 18+ HCP

Responder is constrained to have NO 4-card major and NO 5-card suit, so the right answer is always a natural NT raise (or pass). Stayman and transfers don't apply here.

Blackwood, asking for aces -- $5\clubsuit = 0$ or 4 , $5\diamonds = 1$, $5\heartsuit = 2$, $5\spadesuit = 3$; 5NT then asks for kings the same way. Quantitative (inviting 6NT) after a natural notrump bid.
