

WEAK TWO-BIDS

South opens 2♦, 2♥, or 2♠ as a weak preempt.

A weak two-bid shows:

- 6-card suit (exactly 6 cards — not 5, not 7)
- 5-10 HCP
- 2 of the top 3 honors in the suit, or 3 of the top 5 (good suit quality)
- Limited side-suit values (no 4-card major outside, no 4+-card minor with values)

Partner's responses:

- Pass — happy to play 2-of-suit with a weak hand
- 2NT — strong inquiry asking for shape and strength (Ogust or feature ask)
- 3-of-suit — to play, with 3+ support and weakish hand
- 4-of-major — to play, often preemptive
- New suit — strong, forcing

For beginners: open weak 2 with disciplined hands. The 6-card suit is the preempt's whole structure. Don't preempt with poor suits — partner will sometimes raise to game on a fit, and you need to deliver tricks.
